

2017 JHSC – Early Season Training – Policies and Procedures

The Jackson Hole Ski and Snowboard Club (JHSC) and Snow King Mountain Resort are offering early season training with a target start date of Saturday November 18, 2017 (temperatures and weather permitting) and running until Friday December 22, 2017.

Training lanes are serviced by the Cougar chair. A Snow King trail map is available at: <http://snowkingmountain.com/mountain/terrain-statistics/>

Early season training is available on approximately 240 vertical meters of varied terrain including FIS homologated courses for Slalom and Giant Slalom.

Snow will be prepared to the hardest “race ready” surface possible. The training arena is lined with a single layer of B-Net and multiple layers where requested and installed by coaches. Training lane layout may be found on-line at [Snow King Training Lanes](#).
