

Welcome to Snow King Mountain!

Founded in 1939, Snow King Mountain Resort – just six blocks from Town Square in the heart of Jackson Hole – is Wyoming’s first ski resort.

Since locals first began to ski the “Town Hill” in the 1920’s generations of Jackson locals and visitors have learned to ski on its iconic slopes via recreational skiing, racing, and the full-service mountain sports school. Snow King Mountain, named “2016 Business of the Year” by the Jackson Hole Chamber of Commerce in recognition of their summer improvements, has also made considerable investment to improve its winter operations.

Snow King Mountain offers 3 lifts, 32 ski runs on 400 acres, 1571 vertical rise, two terrain parks, two restaurants, and a full-service rental and ski tuning facility. For non-skiers and snowboarders, King Tubes snow tube park, the Cowboy Coaster, and the Summit Scenic Chairlift provide alternatives for every member of the family to enjoy the thrills of winter, and take in the best view in town with amazing views of downtown Jackson and the Tetons.

Winter Activities

Snow King Mountain has two base areas, with plenty of family-friendly activities both on and off skis or snowboards. Visit the western Summit Base area for King Tubes or the Summit Lift Ticket Shack, as well as Kim's Cafe. For the Cowboy Coaster, Mountain Sports School, Snow King Mountain Sports rental and retail, and King's Grill please head to the eastern Rafferty base area near the hotel. Parking is free at both bases, and there's also a START bus that can bring you right to Snow King.

Night skiing:

Monday – Saturday: 4-7pm

Welcome to Snow King Mountain, Jackson Hole's hometown hill.

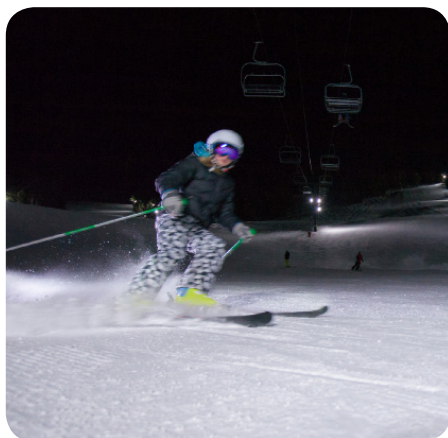

Wyoming's very first ski resort is still a great place to ski and snowboard 78 seasons later. The King is just steps from Jackson's Town Square with terrain from beginner to expert, and great views of the town of Jackson and the Tetons.

With 400 skiable acres, 3 lifts and 32 named runs, Snow King is a world-class ski resort right in the heart of Jackson.

RESTRICTIONS

- Dogs are not allowed at Snow King Mountain during operating hours.
- No Drones
- Assumption of Risk - Alpine recreation is a high-risk activity. Know your limitations. Ski and ride safely, sober, and in control. Individuals who are impaired by alcohol or drugs, not following posted signage, or behaving recklessly are subject to suspension of lift privileges and/or legal action. All visitors to SKMR assume and accept risks of injury, damage, or loss.
- Your Responsibility Code (Courtesy of the NSAA)
 1. Always stay in control, and be able to stop or avoid other people or objects.
 2. People ahead have the right of way. It is your responsibility to avoid them.
 3. You must not stop where you obstruct a trail, or are not visible from above.
 4. Whenever starting downhill or merging, look uphill and yield.
 5. Use devices to help prevent runaway equipment.
 6. Observe signs and warnings. Keep off closed trails.
 7. Know how to load, ride and unload lifts safely.
 8. Liability Waiver can be found on our website at: www.snowkingmountain.com

Skiing & Snowboarding FAQ

These FAQ can be found at snowkingmountain.com in the Activities section for Skiing and Snowboarding

When is the Season Pass valid?

The regular season is scheduled for December 3rd, 2016-March 26th, 2017. Regular season dates subject to change based on weather or operational concerns.

What if I've never skied before?

It's not too late to learn to ski! Our instructors have seen it all, and can help you learn to turn on our beginner-friendly area. You'll learn to make wedge turns, and get comfortable on skis.

Do I need my own equipment?

The friendly folks at Snow King Mountain Sports, right

in the Snow King Hotel just steps from the Rafferty Lift, can get you suited and booted with ski or snowboard equipment. Call them at 307-201-5096.

What should I wear?

The best option to stay comfortable on the mountain is by wearing layers of clothing. Begin with a lightweight thermal base layer on both top and bottom, and then add to it from there including fleece pants and top if it's chilly. If you prefer natural fibers choose wool over cotton. A waterproof or water-resistant top layer (pants and jacket) is recommended, along with warm gloves or mittens, and a balaclava or other face covering for very cold days. Always wear a helmet and goggles or sunglasses. Sunscreen is also a good idea as the sun bounces off the snow and can be quite powerful.

King Tubes

THE ESSENTIALS

TICKETS

The King Tubes office is located in the parking lot across from the Lift Restaurant on Cache St.

CONTACT

307-734-9442

Groups: 307-201-5666

HOURS

Monday - Saturday: 2-7pm
Sunday: Noon - 4pm

Snow tubing in Jackson Hole is a unique family activity to get out and enjoy the snow!

King Tubes has snow tubes, three smooth groomed lanes, and a rope tow to pull you and your snow tube up the hill. All you need are some warm clothes and a need for speed! Let us do the rest.

PRICING

1 HOUR TUBING

Adults (Age 15+) | \$20

Kids (Age 14-) | \$15

Additional Hour | \$5

1 HOUR COASTER/ TUBE PACKAGE

Tube & Coaster Driver

All Ages | \$30

RESTRICTIONS

- You must be over 42" tall. No exceptions.
- Everyone must ride in their own tube. Small kids are not allowed to share a tube with an adult or older sibling. No exceptions.
- Ski boots or other hard plastic boots aren't permitted while tubing.
- All tickets include tube rentals.
- Snow King Mountain Resort makes no guarantees regarding operation or shutdown due to inclement weather. During extremely cold weather, we will suspend operations.

Please call for the latest information on operations.

Active military with ID receive a 10% discount on all activities.
Group rates available - email groups@snowkingmountain.com

King Tubes FAQ's

PLEASE NOTE: The information outlined in this document including hours and prices is subject to change based on weather or operational considerations. Before planning your trip to Snow King Mountain, please call 307-201-KING or e-mail us at tubepark@snowkingmountain.com for the latest information.

Can I host a private party at King Tubes?

Yes, King Tubes can be closed to the public for parties up to 75 people, and we have group rates for parties of 20 or more. Call 307-201-5666 or email groups@snowkingmountain.com.

Can my child ride in my tube with me?

No – everyone must ride in their own tube. Sorry – no exceptions.

What if my child is under 42" tall?

Kids must be at least 42" tall to ride in their own tube. Sorry – no exceptions.

What should I wear?

Proper gear to withstand the cold is critical. The basics – snow pants and jacket, boots, hat and mittens – will go a long way. But to really stay warm, go the extra mile. Heavy-duty winter boots with thick soles to insulate your feet from the cold ground will make your tubing experience much more enjoyable. Similarly, a face mask and even goggles will protect your face and eyes from the wind and cold as you speed down the hill. Remember that winters in Jackson can get pretty cold and if you're outside for an hour or two, the clothing you wear can make or break your day!

FAQ's

These FAQ can be found at snowkingmountain.com in the Activities section for Cowboy Coaster.

How fast does the coaster go?

The maximum speed is 25 MPH.

Can I control my own speed?

Yes, each sled has hand brakes which you push forward to move. If you let go or pull back the cart will stop.

How long does it take?

The ride up is 5.5 minutes, and lasts about 7-9 minutes in total including both ascent and descent.

Who can ride the coaster?

The mountain coaster is for anyone at least 54" tall to drive, and no taller than 84", or at least 38" tall to ride with a driver. The maximum weight for both passengers is 375 pounds. You must have use of both arms and be able to operate the hand brake. It doesn't require any special skill.

Does the ride go upside down?

No the circles bank a little for some exciting G-forces, but there are no loops that suspend riders upside down.

Can the cart leave the track like the alpine slide?

No the carts are firmly secured to the track, and you're secured in the cart with a safety belt.

What is it like to ride the Cowboy Coaster?

Exhilarating! The Mountain Coaster winds and loops its way through the forest of Snow King Mountain with views of the Tetons, the valley and the town of Jackson. You can go as fast as 25 MPH or take a more leisurely spin down the mountain by controlling the hand brake.

How does it work?

Riders load the coaster at the base area platform. Carts similar to the Alpine Slide carts can hold a driver and a passenger, or just a driver. Carts are carried along the track to the top of the ride by a cable and then descend pulled by gravity.

What are the specs of the Cowboy Coaster?

The track gets as high as 43 feet off the ground, carries riders 456 vertical feet up Snow King Mountain and downhill on 3,295 feet of track (just a bit less than 1 mile), with 4 circles and 6 bridges.

Do I need special equipment?

No you can wear your regular clothes and don't need any special gear to ride the coaster. Some people prefer to wear sunglasses or goggles while riding to protect their eyes. The experience on the Cowboy Coaster is very similar to riding a traditional roller coaster.

The best option to stay comfortable on the mountain is layers. Begin with a lightweight thermal base layer on both top and bottom, and then add to it from there including fleece pants and top if it's chilly. If you prefer natural fibers choose wool over cotton. A waterproof or water-resistant top layer is recommended, along with warm gloves or mittens, and a balaclava or other face covering for very cold days. Always wear a helmet and goggles or sunglasses. Sunscreen is also a good idea as the sun bounces off the snow and can be quite powerful.

Group & Events Overview

Thanks for thinking of Snow King Mountain for your next event!

Activities at Snow King are great for:

- Family reunions
- Birthday parties
- Wedding parties
- Corporate team building
- School field trips
- Sports team celebrations
- Scout group outings

Activities Include:

- Treetop Adventure (Summer and Winter)
- Cowboy Coaster (Summer and Winter)
- Scenic Chairlift (Summer)
- Skiing and Snowboarding (Winter)
- King Tubes (Winter)
- Mountain Biking (Summer)
- Hiking (Summer)

Facilities Include:

- Lodge Room: A large multipurpose room available for rental by the hour. Equipped with AV equipment, screen, projector and podium. Capacity: 160 people.
- Panorama House: A seriously rustic, no-frills mountain-top facility available for rental when the scenic chairlift is operating. The facility has picnic tables and electricity. Porta-potties located a short walk from the building.
- Outdoor Mountain Top Wedding Site: Brave brides and grooms have booked the summit of Snow King Mountain to say "I Do." The facilities at the top are very basic, and the transport is a double-chairlift with a transport time of 20 minutes.
- Rafferty Base Area Catering Site: In partnership with the Snow King Hotel, this flat area near the Grandview Lodge can be tented and fully catered
- Kids Birthday Party: The Mountain Sports Center can accommodate up to 20 kids and we can arrange activities, food, and other needs.
- Restaurant/Catering
- Ask us about hosting your event at our new King's Grill restaurant.

Contact Group Sales at groups@snowkingmountain.com 307.201.5666

Groups of 20 or more and non-profits are eligible for 20% discounts on all activities.

- **Teamwork Makes the Dream Work** Build your ability to work better together.
- **Overcoming Obstacles** Tackle a goal or challenge through visualization
- **Creativity Zone** Tap into your creative problem solving abilities with this challenging orienteering course around Snow King Mountain

Our Leadership Philosophy: Harnessing the Power of Play

For the first decade of our lives "play" is vital for brain development, healthy relationships, problem solving, and creativity. Yet somewhere between childhood and the hectic demands of adulthood play gets sidelined- but everyone needs it to thrive! Participating in an exciting and fun (but challenging) new activity allows individuals and teams to access untapped potential, see alternate perspectives, and create a strong foundation for growth.

Our Leadership Development Team

Christian Santelices

An internationally certified mountain guide served as chief guide for America's oldest guide service, Exum Mountain Guides, and is a member of the National Instructor Team for the American Mountain Guides Association. Christian has developed leadership development and philanthropic programs for groups such as the Wharton School of Business, the U.S. Naval Academy, and Imagine One Day.

Dr. Chris Maxwell, PhD

A retired Senior Fellow at the Center for Leadership and Change Management at The Wharton School and a faculty member for Diamond 6 Leadership and Strategy, LLC. Chris taught leadership and teamwork at Wharton, and created an experiential leadership development program. He is the author of Lead Like a Guide: How World Class Mountain Guides Inspire Us to Be Better Leaders.

Sandy Schultz Hessler

Sandy has more than 30 years of business experience and leadership from esteemed organizations including IBM, Procter and Gamble, and Harvard University with a lifetime pursuit of understanding human potential and consciousness from her experience in organization building, success coaching and teaching entrepreneurial boot camps.

Todd B. Hanna

Founder of Belay On Advisors, blends a wealth of outdoor leadership experience (including NOLS, Outward Bound) with his military background (US Marine Corp) and extensive corporate (construction and insurance) and non-profit expertise (Teton Science Schools, Explore Austin, and many others).

Christie Watts

A professional snowboarder turned life coach who uses her unique understanding of how to conquer fear, has been incorporating life lessons into ropes courses since 2007. Founder of Life on Purpose Coaching, Christie believes the fastest growth and development happens in the presence of others.
